

### Dear Friends

How would you like to play a round of golf, have some fun, enjoy some food, and at the same time, play a part in the development of young adults in the Del Norte Football program?

You can do all that at the 2nd annual Del Norte Football "Knight Classic Golf Tournament" on Friday, June 27, 2008 at the Chamisa Hills Country Club.

In addition to enjoying golf-with friendly competition and prizes-you'll play an important role in the support of the Del Norte Football program.

In 2006, Del Norte brought in Coach Chris Howe for the purpose of rebuilding the Knight program back to it's winning traditions. In his first at Del Norte, Coach Howe and his staff were able to lead the Knights back to the state playoffs.

One of the most important and critical parts of rebuilding a program is funding, and that is where you can help.

Thank you for your continued support of Del Norte Football.

Sincerely,

The Del Norte Football Booster Club
